

Dear Friends,

Greetings for the day!!!!!!

We take this opportunity to sincerely thank you for providing us with the wonderful experience of **International Collaboration**.

It was an enriching experience working with you on the theme of '**Go Green**' as it provided our students with the opportunity to understand and learn more about the global environmental trends and '**Festivals Galore**' theme which gave them a completely new outlook regarding cultural traditions of your country. The **Skype Sessions** have helped immensely in embracing the idea of **International Partnership** and the feeling of brotherhood.

We look forward to continuing this collaborative association for a long time to come so that our students continue to learn and grow as responsible **Citizens of the World** or **Global Citizens**.

Kindly accept the **Box of Friendship** as a token of our heartfelt love and appreciation. The box includes some handmade articles by our young Mount Literans, an earthen lamp, and a Warli painting.

The painting on 'Diwali Celebration' depicts traditions like decorating the courtyard with rangoli, hanging paper lanterns, lighting earthen lamps, burning firecrackers, enjoying dance, family and community gatherings.

We wish you a **Merry Christmas** and a **Happy and Successful New Year** in advance!!!!!! With Lots of Love from students of **Mount Litera Zee School, Chandrapur, India** !!!!!!!

Best Regards,
